

## Services

Symphony Pointe offers three distinct services – Independent Living, Assisted Living and Memory Care - on one beautiful campus. Regardless of which option you choose, all community residents benefit from:

- Round-the-clock staff and a secure building.
- In-house maintenance and technology assistance.
- Guest access Wi-Fi throughout the community.
- Basic utilities and on-call maintenance included in base rent costs.
- Robust social and activity offerings.
- Fitness and exercise opportunities for individuals of all abilities.
- Free local transportation.
- Access to on-site health support available for those who need it.

### INDEPENDENT LIVING

Conduct your days your way.

Independent Living at Symphony Pointe is perfect for those who want the benefits of luxury living, but who do not need health or personal care provided by the community. Indulge in our resort-style amenities, delicious meals, concierge services and curated events, while benefiting from the company of individuals who make our community their home.

Services available for independent living residents include, but are not limited to:

- A dining package worth \$350 is included for each independent living resident each month. Dining dollars may be used at multiple in-community dining options including:
  - *Fermata*, which features chef-prepared meals and includes regularly scheduled fine-dining opportunities.
  - *Rhapsody*, a casual dining option.
  - Other grab-and-go and refreshment options are available throughout the community.
- Twice-monthly light housekeeping, linen and towel service provided, with access to full-service housekeeping and laundry at your fingertips.
- Curated events, excursions, social activities and group travel opportunities.
- Underground parking.

*Please note that some services require an additional cost. Please ask for details.*

## ASSISTED LIVING

### A chorus of support around you.

Assisted Living at Symphony Pointe is the solution for those who wish to live as independently as possible but may need a little assistance in order to truly thrive. Enjoy luxurious surroundings, but best of all, peace of mind knowing that a team of people are always nearby to help you live your best life.

The services provided by our staff include, but are not limited to:

- Twice-monthly housekeeping, laundry and linen services along with routine deeper cleaning.
- Three delicious homemade meals each day at *Concerto*.
- Regularly hosted family events and celebrations.

Additionally, these services can be provided at an additional cost:

- In-house PT, OT and Speech Therapy provided by our preferred partner or the ability to bring in your own provider for these services.
- Respite and recovery care services when space allows.

## MEMORY CARE

### Caring staff orchestrate joy each day.

People with memory loss make *Woodwinds at Symphony Pointe* their home. *Woodwinds* provides a safe, vibrant and beautiful community to those with Alzheimer's or other types of dementia. Our team is specially trained to provide the type of care that allows those with memory loss to truly thrive. The services provided by our staff include, but are not limited to:

- A safe environment, including secured entries and exits and 24/7 staffing and security.
- Expert care is provided round-the-clock, by a team who are specifically trained in assisting those with the unique challenges brought by memory loss.
- Housekeeping, linen and laundry services.
- Delicious homemade meals, served in a beautiful and comfortable dining area.
- Regularly hosted family events and celebrations.

Additionally, these services can be provided at extra cost:

- In-house PT, OT and Speech Therapy provided by our preferred partner.
- Respite and day stay services when space allows.

Most residents in assisted living and memory care residents will require health and personal care-related services. These services are offered in a level-of-care package. These packages are customized to meet an individual's unique needs. View the *Wellness* insert for more details.
