

### WOODWINDS MEMORY CARE AT SYMPHONY POINTE

*Woodwinds* is our in-house Memory Care neighborhood. *Woodwinds* neighbors enjoy their own special amenities in a smaller, more comfortable environment, that's specifically created for individuals with memory loss. The entire neighborhood is safe and secure yet offers a homelike atmosphere that is comforting and familiar.

- A lovely, dedicated entrance is secured 24/7 and a welcoming reception area serves as a home base for all in the community.
- A second secure entrance connects to the Assisted Living and Independent Living portion of Symphony Pointe, making visits easy for couples and friends who live in different areas of the community.
- *Allegro* living area is cozy and comfortable and the perfect spot to socialize or relax.
- A tri-functional open space includes *Orchestra*, which serves delicious homemade meals and snacks; an activity kitchen that offers an eat-up bar and other kitchen basics, while *Espresso* is an activity area for arts, crafts and more.
- A Tovertafel® Table delivers amazing technology to those with cognitive challenges and the opportunity to unlock memorable moments.
- *Acapella Salon and Spa* features necessary equipment for hair care as well as a whirlpool spa tub, offering the best of both worlds - convenience and relaxation.
- *Melody Sunroom* is a bright and sunny spot to relax and peer out to a dedicated courtyard.
- The courtyard offers shaded seating areas, walking paths and garden space, as well as attractive landscaping with a water feature.
